

Divide™

Divide™

Convert your desking into semi-private modular systems.

Conquer the task at hand with Divide™, a modular desk-mounted panel system that can be added to most Global desk series. The panels can be vertically stacked and are available as laminate panels, fabric tackboards and glazed panels.

Divide™ is easy to specify with so many size and panel finish options. Depending on office needs, individual work areas can be created to

be semi-private using glazed panels or visually private using laminate and fabric panels.

For maximum workspaces, Divide™ offers a built in accessory rail for the most accessible desk top items. Everything from pens, paper clips, binders and file folders can be neatly organized ABOVE the workspace, leaving a clean desk top for current tasks and paperwork.

Shown with Winter Cherry (WCR) worksurfaces and White (WHT) storage. Ride and Caprice seating in ArcCom Polo, Stone (YCN9).

Divide™

- Panels are available in 12", 18", 24" and 36" heights and can be stacked to produce heights of 12", 18", 24", 30", 36", and 42".
- Available as fabric, glazed or laminate partitioning panels in a large array of finishes and colors.
- Vertical stacking of panels provides semi-privacy or full visual privacy to personal workstations.
- Laminate panels offer an optional wire access cut-out at the bottom of each panel.
- Laminate transaction tops are offered in various shapes and sizes.

Shown with Winter Cherry (WCR) worksurfaces and White (WHT) storage.

Divide™

Adaptabilities can be combined with Divide panels to create privacy in a reception application.

Shown in White Chocolate (WHC) with Global Accord Mesh.

Divide™
