

9300 + 9300 Plus Series Laterals

filing profile

The 9300 Series offers professional lateral file capability at an economical price and is available with fixed or receding drawer fronts. Solid construction delivers a cabinet with quality and durability. A variety of great features are offered including EDP and ring binder capabilities, all with the flexibility of three file widths.

The 9300 Plus Series has the look of higher end cabinets but at a reduced cost. Levelling glides keep the file case true, ensuring that drawers are easy to open.
