# Connectivity

A UNIVERSAL HINGE CONNECTOR INDEPENDENT OF PANEL CONFIGURATION ALLOWS FOR MORE FLEXIBILITY.

INLINE

3 WAY 60°

3 WAY 90°

The award-winning, slimline panel system with the universal hinge connector is now all grown up! Diet+ can now deliver power and communication along the linear spine of the base panel. Diet+ includes a comprehensive offering of worksurfaces, storage components and accessories as well as the ability to visually and functionally integrate with other Global Contract products. Diet+ offers you more for less.

Global Contract is committed to the concept of sustainable development—development that meets the needs of the present without compromising the ability of future generations to meet their own needs. We pursue sustainability because it is the right thing to do, and we believe sustainable development can play a central role in addressing the economic, societal, and environmental elements essential to the future.
