## Organized personal storage

Dresser with three drawers on metal legs

Double dresser with six half-drawers on metal legs

Aldon™ dressers offer personal storage for patients and residents. Available in a range of drawer configurations, Aldon helps individuals stay organized. With smooth surfaces and durable finishes, the dresser

respects housekeeping and infection control needs. All dresser components are conveniently replaceable for long-term performance. Matching bedside cabinets and wardrobes complete the Aldon collection.

## A closer look

### Locks

Locks are optional and provide extra security for personal belongings.

### Ventilation

Cut-outs with grommets in the back for ventilation reduce odors and bacterial growth.

### Drawer Slides

Full extension ball bearing drawer slides are constructed using high quality precision steel. The optional soft close drawer slide ensures an easy and quieter closing motion.

### Drawers

6" high drawer box provides ample storage capacity.

### Tops

Standard 1" thermally fused laminate tops with 3mm PVC edge are field replaceable. PVC edge on the tops, gables, drawers and door fronts provide peace of mind for greater long-term performance. Optional high pressure laminate tops are also available upon request.

### Handles

Arc style handles provide easy access to personal belongings. Standard in arc style, Tungsten finish.

### Legs/Bases

Available with two base options, Tungsten metal legs and plinth base. Both are interchangeable in the field.
