Beach – timeless and affordable style

Beach™ offers timeless style and affordable comfort for private offices, conference areas, libraries and other meeting spaces. Beach's slim design ensures guests are welcomed in smaller spaces. Clean lines and contoured elements demonstrate classic beauty in a solid wood chair.

A lifetime warranty on the frame and finish with a 300 lb. weight rating provides peace of mind, while a solid wood frame achieves maximum durability for multi-purpose use. Beach is available in a wide selection of standard wood finishes with the option of custom color matches.
