Management and Task Seating

The Enterprise series offers true value in management, conference and fully adjustable ergonomic seating.

Enterprise’s gently sculpted seat and back cushions provide comfortable lateral and lumbar support. With the choice of six mechanisms on the ergonomic models, Enterprise can accommodate a complete range of tasks in any work environment.
Comfort and ergonomic support in management and task seating.

**Five Mechanisms (Available on select models)**

**Tilter**
1. Pneumatic seat height adjustment.
2. Free-floating tilt action with tilt lock and tension control. Fixed back height.

**Multi-Tilter**
1. Seat depth adjustment.
2. Pneumatic seat height adjustment.
3. Free-floating tilt action with tilt lock and tilt tension control.
4. Infinite position back angle adjustment.
5. Ratchet back/lumbar height adjustment.
6. Forward and rearward seat tilt with infinite tilt-lock control, back angle.
Features

A. Arm Movement - Height adjustment standard with "TD" arms. B. Arm width movement (WA) - Standard with height adjustable arms. C. Back height movement – Ratchet style back height / lumbar height adjustment on most models. D. Seat slider movement - Allows up to 2" of seat depth. Seat slider available on selected models (optional).
