Combining strength, stability and comfort with a clean design, the GC-Comet stacking chair is a versatile and compact solution. The GC-Comet offers an ultracell foam seat, canted back leg for stability, reinforcement gussets at each leg joint for strength and a collection of finish color options pleasing to any living space. With a choice of several back profiles, height options and finishes the attractive-looking GC-Comet

is perfect for smaller spaces. Its stacking feature makes it ideal for resident/patient rooms, activity rooms, auditoriums, guest seating and other usages.
