

**GC7530-25**  
Wellness split back chair.

**GC7530-23**  
Wellness low back chair.

**GC7511-21**  
Wellness high back rocking chair.

The functional design and therapeutic features of the Wellness series makes it an ideal seating solution for senior care and healthcare facilities. Wellness offers a range of products to fit applications from resident/patient rooms, lounges and lobbies, guest and reception seating to dining room applications. This Greenguard certified product line offers a unique moulded foam back cushion with both concave and convex shaping, giving maximum comfort. Hardwood frames are joined using mortise and tenon joints

with additional bracing to ensure increased strength and durability. A fully encased upholstered moulded foam seat cushion protects the interior of the seat from spills, body fluids and other unwanted exposure that impact negatively on housekeeping efforts.

Above (and Cover): all products shown in Mayer, New Dimensions Pompelli (WC764-001), frame finish in Shaker Cherry (SKM).

Optional 4-position adjustable back mechanism (V).

Optional 3-position adjustable seat mechanism (U).
